THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI SATYA BRATA MOOKHERJEE): (a) Yes, Sir. In order to contain the outflow of subsidy and fix the consumption norms at the realistic level, Government has revised the consumption norms of the urea units on interim basis w.e.f. 1.4.2000. These consumption norms are based on the actual levels achieved in 1999-2000, or the existing level, whichever is lower. The retention prices have also been revised correspondingly, ad interim. This revision has led to reduction in retention prices in respect of some units. Such revision is, however, only an interim arrangement and is subject to the decision of the Government on the policy parameters for VII and VIII pricing periods which will include consumption norms also, and will be effective from 1.7.1997.

(b) Although two urea companies namely Duncans Industries Ltd., Kanpur and Mangalore Chemicals and Industries Ltd., Mangalore, have served notices for closure of the units to their respective State Governments, the Union Government has not received any communication from the State Governments conveying their decision on the closure notices.

(c) As the consumption norms have been revised on the basis of actual levels achieved in 1999-2000, or existing level, whichever is lower, the Government does not intend to withdraw the communication dated 5.11.2001 notifying **the** revision in retention prices of urea units consequent interim revision of consumption norms w.e.f. 1.4.2000.
